East Grinstead 10k

Six Crowborough runners lined up with a field of 326 on a bright Sunday morning for the 8th Andy Ripley Memorial 10k race at East Grinstead. The race is a flat, multi-terrain course taking in 7k of the Worth Way before looping back towards Imberhorn school and the finish.

In a great result two of the Crows took home silverware with four Pbs to

add to the haul.

Paul Bailey led the Crow's in with a time of 41.17 pb (17th) followed by Anna Tolmachova, 42.25 pb (23rd) and picking up the trophy for second lady overall. Chris Ashby, 44.11 (33rd) just pipped Jack Bailey to the post, 44.34 pb (40th) Jack picked up the trophy for 1st male junior in only his second race at this distance. Bryan Tapsell came in 48.02 (67th) followed by Bridget Ralph 53.15 pb (128th) a fantastic result for her first ever 10 K!

Barnes Green Half Marathon

On Sunday 24th September and with unseasonably warm temperatures, six Crowborough Runners participated in the 35th Barnes Green half marathon, and three of the club's runners took part in the 10k. The two undulating races are set in the beautiful west Sussex countryside, passing through the historic Christ's Hospital School. A jazz band played at both the start and finish of the scenic routes and several other bands lined the course, as well as lots of locals and spectators lifting the spirits of the runners. First in for the club for the half marathon was Ollie Welch, 1:29:39, then Claire Harvey, 1:48:12, closely followed by Eileen Welch, 1:56:50 and Louise Ellis, 1:57:43 (PB). Becky Pettitt, 2:26:14 and Maggi Bradgate, 2:26:16 crossed the finish line within seconds of each other. The 10K: results saw Joe Harvey crossing the line in 45:42, followed by Terry Harvey, 49:56 (PB) and Vicki Whitehorn 53:35.

Track Opening

After years of campaigning and fundraising Crowborough's new running track was officially opened this month by stars of track and field. The facility was given the seal of approval by former Paralympic 800m champion Danny Crates and British shot putter Vanessa Wallace.

Our thanks again to James for his determination and never giving up on his mission to replace the ancient, soggy, uneven and unfit for purpose cinder surface. Thanks also to everyone who helped at the opening event, which seems to have been a great success.

Update from Tanya Edmondson

I have taken a year out from running the Grand Prix as I have had an Achilles injury, which is just taking forever to repair. After 5 months I can now run short distance twice a week so hopefully will be back for cross country. I have been competing in triathlons, as the most I need to run is 6m for an Olympic distance. I have had a successful year with two more races planned, one in Holland next week and the other in Hever at the end of September.

SGP races remaining this year:

16	October	29th	Hove Prom 10k
17	December	3rd	Crowborough 10k

Hello everyone,

It's that time of year when planning for the 10k ramps up another notch and with that comes my plea for marshalling help. The race is on Sunday 3rd December and I would really appreciate it if you can spare the morning on that day to help with marshalling at various points along the route.

So get your best "cheering on" voices ready and please email me to let me know you can help. You will need to be at beacon school at 8.30 in time for marshals briefing and then to get out to your designated point. Usually all finished by midday - free cuppa for those helping too!

Many thanks

Christmas Party Survey – last chance!

Alex says: we have had some good responses and if anyone else wants to have their say, then the survey will close on **October 15th** with a view to have some sort of idea of location and date by end of October.
